### Greeting Cards:

You have the choice of 5x7 folded or 5x7 postcard style. The folded come in packs of 25 and include envelopes. There are two different styles of postcards, with backs and without. The cards with backs are sold as packs of 25 (\$6.00 per pack to add envelopes) and the cards without backs can be purchased individually. If you see any postcard style with backs and would like it without, that can be accommodated. There are many different templates to choose from, please go back to rates and info to view the different styles of cards. Please refer to the number along the right side of the images when selecting.

NOTE: The cost will reduce with the number of packs purchased.
