## Session Fee:

Up to 5 people for (1-2hrs of shooting)

\$75 on location

\$125 studio session

\$15 for each additional person

This does not include digital negatives. If you would like to purchase the digital negatives instead of ordering prints they are sold for \$500. Images are not sold individually but as a session collection.

This also does not include prints. Prints are sold separately.

## Portrait session prints:

These are the general print sizes. If you would like a different print size that is not listed, that can be accommodated. All prints are printed on a silk finish paper called luster. Minimum print order of 10 prints.
