

# MISSION ADVENTURES

OUTREACH FOR GROUPS

Mission Adventures is a ministry of YWAM international. It is a short-term outreach experience designed specifically for youth groups who want to impact the world! Whether it is local, urban, or overseas; we believe that this generation has what it takes to be God's catalyst for change and we want to help that happen. You will be put outside of your comfort zone so that you can experience God like never before.

## **Full-Service**

Mission Adventures is a Full-Service missions trip experience. Let us do all the work of making a awesome program and planning a life changing outreach. We do this so you can focus on your students.

## **Spiritual Growth**

Jesus teaches us that when we lose ourselves for His sake, that's when we really find out who we are. In the same way, when you take your kids on a Mission Adventures outreach, they get to lose themselves in serving others. They'll be challenged – and they'll find out what they're really made of.

## **Effective Training**

Experienced YWAM staff will spend quality time training you and your team to effectively present the Gospel message across cultures. This is more than camp. This is missionary training.

## **Incredible Value**

Mission Adventures offers the highest level of service while our prices are among the lowest. But don't take our word for it. We encourage you to shop and compare! While we don't always have the lowest prices, we're confident that we offer the most value for the money

## **Your Kids are Gifted**

Bring their gifts out with Mission Adventures – a great opportunity to build as a team and learn what your individual giftings are.
